

EVENING OF CELEBRATION

An evening of celebration was held at East Belfast Mission on Tuesday, 18 September, generously funded by George Best Belfast City Airport, for clients who had been involved with the Employability Programme over the past year.

The evening was a wonderful opportunity to celebrate the success of those who had enrolled on the programme. All of our clients are on a journey to get back to work and every milestone reached is a cause of celebration - whether that is in growth in personal confidence, successful completion of training courses, or achieving employment.

The professional and personal development of our clients is amazing and something of which East Belfast Mission is extremely proud!
