Why should I become a friend of East Belfast Mission?

At East Belfast Mission we are here to change lives and we rely on the generosity of those in our community to continue our life changing work.

By becoming a friend of East Belfast Mission you will be supporting our vital work with a regular donation, including our Hosford Homelessness services, our Employability project which helps people back to work, our Irish Language project to connect a divided community and of course our thriving church community which offers community groups, counselling and pastoral care to those who need it.

Even a small regular donation can make a huge difference. When we know how much you are going to give regularly we can plan much more effectively for the future, meaning we can reach even more people who need our help.

What are the Benefits of Becoming a Friend?

- You will have access to a VIP ticket and a free guest ticket to four East Belfast Mission events per year.
- You will be offered the opportunity to purchase exclusive Friends of East Belfast Mission gifts including a Travel Mug, A Bible and a Fleece
- You will receive a Quarterly Ezine (or an alternative hard copy option if required)
- You will receive an Annual Letter and update on our work from our Mission Superintendent
- You will be offered the opportunity to attend two 'Visit the Project' Days each year, to give you an insight into the work you are helping to support
