The post will involve working at neighbourhood level in East Belfast to support the development of an employment service infrastructure to improve the potential of long-term unemployed, economically inactive and or clients with additional issues to support them to gain employment.

Job Purpose

To provide mentoring sessions to adults who are experiencing economic inactivity/worklessness, due to barriers such as poor health and support through intensive one to one mentoring for those participants with low level health and/or social issues.

Main duties and responsibilities:

1. Provide a structured programme of parallel support for economically inactive and workless people that can support their progress towards employment and/or further education/training.
2. Undertake initial assessments of barriers using agreed and bespoke diagnostic tools. Develop and implement individual action plans to overcome barriers to employment or further education/training, setting goals, actions and achievable outcomes.
3. Work closely in partnership with the employability mentors to provide parallel support for clients including mentoring sessions to all participants which remove barriers to employment or further education / training.
4. Effectively manage a caseload of parallel support clients provide professionally focused support referring to other agencies/organisations as required as part of individual action plans.
5. Undertake progress reviews and ensure targets are achieved that reflect positive outcomes in relation to employment, employment-related skills development or progress to further education/training.
6. Support specific training, education, employment and work experience opportunities for economically inactive and workless people which will help to promote their integration into the labour market.
7. Develop and maintain excellent working relationships with relevant employer, statutory, community and voluntary organisations.
8. Maintain accurate records of all engagements and work undertaken with participants and ensure the accuracy and completion of all administrative forms, reports, etc. Which are provided in a timely manner.
9. Review, with line manager, outcomes against performance targets and reflect on practice, working to the highest professional standards.
10. Fully participate in self-evaluation reviews and quality improvement planning.
11. Participate in team meetings, supervision and other team activities.
12. Carry out all duties in accordance with the values and policies of East Belfast Mission.
13. Perform such other relevant tasks deemed necessary by the management team of the Belfast Works Project to ensure the effective and efficient implementation of the project action plan.

Additional duties

- Undertake any other related responsibilities commensurate with the evolving objectives of the post and the evolution of the East Belfast Mission, as may reasonably be requested by management.
- Work flexibly on evenings, weekends and during school holidays to ensure full delivery of the programme.

- Undertake training in order to develop work related skills and knowledge.
- Work within the ethos of East Belfast Mission
- Participate in East Belfast Mission Performance Management and Appraisal process, and agree short, medium and long-term goals with line manager, and direct line staff.
- Identify learning and development needs with line manager and evaluate T&D to demonstrate needs have been met.
- Share best practice and achievements, and contribute to opportunities to present outcomes and case studies.
